Philip is an Engineer, Scout Leader and Sustainability expert for one of the most recognisable brands in the world. His books (the third of the trilogy coming out later in 2025) are big adventures, with humour, lightning action, powerful villains and state-of-the-art technology. Philip is visiting schools all over the country, creating huge enthusiasm among children and inspiring them to fall in love with books and reading.

You can order copies of Philip's first two books through school. We are very fortunate to have been offered a **50% discount**, which means you can buy each copy **at only £4**, in other words **two for the price of one!** Payment for books should be sent to school **in cash in an envelope marked with order and child's name** on this occasion only please as we will be unable to process payments through the school bank account. Orders close at Monday 28<sup>th</sup> April.

Many thanks for continuing to support your children's reading.

All the best,  
Fiona Hall
