Dear Parent/Carer

New Waste Removal Regulations

With effect from 31 March 25 simpler waste removal regulations are coming into place in schools and business which means we have to sort our waste more selectively.

If your child brings sandwiches to school they will now have to take any waste (ie uneaten food, crisp packets, yoghurt carton) home as the canteen can only deal with their own food waste which will be weighed daily. The kitchen will also be monitored on the amount of food waste by DCC in order to reduce costs and enable more sustainable practices.

If you should have any questions, then please contact me.

Yours sincerely

Mrs S Craig
